Case No. 07-2-0018c

**ORDER ON MOTION TO AMEND
COMPLIANCE SCHEDULE**

13 This matter comes before the Board on Clallam County's ("County") motion to grant the
14 County an additional four days to obtain compliance, amending the compliance schedule to
15 provide that the County shall achieve compliance by July 21, 2009.¹
16

17 Petitioners have indicated that they do not oppose the extension requested by the County.²
18

19 **I. DISCUSSION**

20 On April 23, 2008 the Board issued a Final Decision and Order (FDO), with a subsequent
21 Order on Reconsideration on June 9, 2008 finding, inter alia, that the County's
22 comprehensive plans and maps, and development regulations adopted under Ordinance
23 No. 827 and Resolution No. 77, 2007 were not compliant with the Growth Management Act
24 (RCW 36.70A).
25

26 On February 4, 2009, the Board granted the County additional time to come into compliance
27 regarding its rural lands, setting a compliance date of July 17, 2009.

1 In its motion, the County requests that the compliance date be extended to July 21, 2009. It
2 notes that the Clallam County Board of Commissioners schedule their availability for Board
3 meetings and hearings based on the adopted regular meeting time of 10 am on Tuesdays.
4 This schedule would have the Commissioners' regular meeting on July 21, 2009, rather than
5 July 17, 2009 as reflected in the Board's order.³ The County points out that it needs the
6 additional time to comply with the compliance schedule, and that this extension would not
7 prejudice the other parties.
8

9
10 The Board agrees that the requested extension is reasonable, and notes that neither Dry
11 Creek nor Futurewise have objected to the motion.
12

13 II. ORDER

14 The County's Motion to extend the compliance date to July 21, 2009 is GRANTED. All other
15 dates set forth in the Board's February 4, 2009 Order shall remain as stated in that order.
16

17 SO ORDERED this 2nd day of July, 2009.
